

# Psalm 98

*A psalm:  
a song  
to sing  
and strum.*

O sing unto the LORD a song that's new  
For He has done such great and wondrous things:  
His own right hand has gained the victory:  
His holy arm has saved us by His pow'r.

The LORD revealed salvation to mankind  
And He unveiled His righteousness to man,  
And He recalled His loyal love and truth  
To all those of the house of Israel!

Now all the ends of all the earth have seen  
The salvation our God has wrought for us:  
Let all the earth sing praises to the LORD:  
Let them break out with songs of joy to Him!

Sing praise to Him, and play upon the lyre:  
Lift up your voice and sing a song of praise,  
With trumpet and the sound of the ram's horn  
Make melody before the LORD our King!

Let the sea roar, and all that dwell in it:  
The world, and all of those who live on it,  
And let the rivers clap their hands with joy,  
And let the mountain heights exult in Him!

Before the LORD, Who comes to judge the earth,  
For He shall judge the world in righteousness  
And He shall judge the people uprightly:  
[So let us sing our joyful praise to Him!]
