

Psalm 103

A Song
of David's

Now let my soul bless the LORD God, and all
That is within me, bless His holy name:
Yes, let my soul bless the LORD God, and not
Forget all of His benefits to us!

For He forgives all your iniquities
And He heals all of your infirmities
And He redeems your life out of the pit
And He crowns you with mercy and with love!

He satisfies your longings with good things:
Your youth is renewed as an eagle's is:
The LORD performs His acts of righteousness
And justice for all those who are oppressed.

To Moses He revealed His ways of old,
His deeds unto the sons of Israel:
The LORD is full of mercy and of grace:
He's slow to anger and His love is great!

He will not always chide us for our sins:
He will not keep His wrath for evermore:
He has not dealt with us as we deserve,
Nor paid us back for our iniquities.

As high as heaven is above the earth,
So great His love to those who revere Him:
As far as east is from the west, so far
Has He removed our trespasses from us!

For like a father pities his children
The LORD has pity on those who fear Him:
He knows our frame: He knows how we are made
And He remembers we are made from dust!

The days of human beings are like grass:
He flourishes like flowers in the field:
The wind blows over it and it is gone:
They will not know the place where it has been!

The covenant love of the LORD will last
From everlasting to forevermore
To those who fear Him, and His righteousness
Will be to their grandchildren, by His grace

To those who keep the covenant He made
And those obeying His commands to them!
The LORD prepared His throne in heav'n above:
His kingly power rules the universe.

You strong and mighty angels, bless the LORD:
You hear His voice and you perform His word:
All you His hosts, you ministers of His,
Who gladly do His pleasure, bless the LORD!

Let all the works the LORD has done bless Him,
In all the places of His kingdom's reign
[And let me take part with them in their praise!]
Let my soul bless with joy the LORD my God!
